

**LANCASTER HIGH SCHOOL  
COURSE SYLLABUS**

**MR. ROBERTSON**  
ROOM 168

**CLASSROOM RULES:** All District and school rules and policies will be enforced. In addition, the following are my classroom rules:

- Students must be seated prior to the bell ringing. If a student is not in his/her seat prior to the bell ringing, he/she will be marked tardy. **Tardy students disrupt the classroom and waste valuable time. If you choose to be tardy, the consequence is you will have to make up the wasted classroom time during after school work, and/or OCD.**
- Students will not interrupt the teacher by talking out of turn, especially when the teacher is giving instructions, lessons, lectures... **Excessive talking disrupts the flow of learning and makes it difficult for students who are trying to learn. If you choose to break this rule, the consequence is making up wasted classroom time during after school work, and/or OCD.**
- Profanity, cursing, swearing, will not be tolerated in my classroom. **Profanity is disrespectful and has no place in my classroom. If you choose to break this rule, the consequence is after school work, and/or OCD.**
- There will be no eating or drinking in the classroom. **Break and lunch are provided for eating and drinking. If you choose to break this rule, the consequence is you will receive after school work, and/or OCD.**
- Students must raise their hands and wait to be called upon prior to speaking and answering questions. **This will help minimize disruptions. If you choose to break this rule, the consequence is making up wasted classroom time during after school work, and/or OCD.**

*Students must abide by the school's computer/internet policy at all times.*

---

I have read and understand the classroom rules.

I have read and understand the course syllabus.
